Oncor Releases Week One Side-by-Side Results for Killeen

DALLAS (March 16, 2010) – Oncor released the first results today for the side-by-side meter demonstration program for those participating homes in Killeen. Each week, Oncor will release results to the public, the Public Utility Commission of Texas and the media.

The side-by-side demonstrations are part of Oncor’s Smart Meter Verification Plan, a plan to ensure the accuracy of the smart meters and restore consumer confidence.

Below are the results for Killeen, as read on March 12:
